Dear Well Wishers and Friends of LIMFF:

Wishing you a prosperous New Year spiritually and otherwise.

Your help and support, whether for visiting scholars like Cardinal Francis Arinze, Rabbi David Rosen, and countless others, or for events like Interfaith Marriages, Women of Faith, A Spiritual Journey, Interfaith perspectives, Blessing of Children, or hundreds of Building Bridges presentations, have made a big difference in our own neighborhood.

Prayer services for 9-11 victims at the St. Agnes Cathedral, the First Anniversary Services at Eisenhower Park, and Memorial Dedication at Tobay Beach, 10th Anniversary of 9-11 at Westbury Friends Meeting House (Quaker), at the Indian Consulate in NYC for Gandhi Punya Tithi as well as Inauguration Prayers for Nassau County Executive Thomas Suozzi and others will remain as lasting contributions of LIMFF.

Another prayer event is planned for Monday, January 30, 2023 at 6:30 PM. **Please RSVP at arvindvora@gmail.com**

With a wish for a Peaceful and Successful 2023, I remain,

Sincerely,

Arvind Vora
